

Connect4Climate

C4C is a communication platform to raise awareness on Climate Change, who operates in a fast-evolving scenario with low short term planning, so partners need to be flexible and reactive to accommodate their operational model

#Youth4Climate

inspires young people to join together to take on the climate challenge

#Fashion4Climate

collaborates with trend setters of the fashion sector to set new parameters

#Film4Climate

works with the film industry to spread climate messages and promote sustainability

#Leaders4Climate

engages influential and well-known figures to speak out on climate change.

#Cities4Climate

builds on local initiatives to make urban areas more climate smart

#Music4Climate

draws upon interest in climate change among musicians and Songwriters

#Sport4Climate

capitalizes on the fame of athletes and the popularity of the sports industry

#Innovation4Climate

highlights the role of the private sector and technology for climate solutions.

A man wearing a grey suit, a dark hat, and glasses is sitting in a dark blue leather armchair on a sandy beach. He is smiling and holding a small object in his hands. To his left is a brown suitcase, and to his right is a red umbrella. The background shows the ocean and a clear sky. The text "3 SECONDS" is overlaid in large white letters across the center of the image.

3 SECONDS

We will continue to follow your example
